(Cancellation) Notice Concerning Cancellation of “Notice of Change in Major Shareholders”

TOCALO Co., Ltd. (the "Company") hereby announces that it has decided to cancel the disclosures titled "Notice Concerning Change in Major Shareholders" dated August 9, 2013, and December 10, 2013, as detailed below.

On August 5, 2013, a large shareholding report (amendment report) was jointly submitted to the Kanto Local Finance Bureau by FIL Investments (Japan) Limited and FMR LLC. Based on this report, the Company disclosed a "Notice Concerning Change in Major Shareholders" under the assumption that FIL Investments (Japan) Limited had become a major shareholder on August 9, 2013.

Subsequently, on December 9, 2013, an amendment report was submitted stating that FIL Investments (Japan) Limited had dissolved its joint shareholding relationship with FMR LLC. Consequently, the Company disclosed another "Notice Concerning Change in Major Shareholders" dated December 10, 2013, indicating that the major shareholder had changed from FIL Investments (Japan) Limited to FMR LLC.

However, based on an amendment report submitted on June 30, 2026, it has come to light that no changes in major shareholders had actually occurred during that period. Accordingly, the Company hereby cancels the series of disclosures titled "Notice Concerning Change in Major Shareholders" dated August 9, 2013, and December 10, 2013.
